

960*960mm Outdoor Full Color Waterproof Football Stadium Perimeter Led Display Screen

Key Features:

- 10000nits Ultra High Brightness
- Aluminum Module Chassis Heat Dissipation
- Cable-free back side
- Fanless cooling system
- Total front & rear service

Features of Perimeter system

Platinum Sports is our ultimate solution for stadiums and sports fields. It is designed with footstand and top safer bumper.

Excellent cabinet design

Full die-casting Aluminum module and cabinet frame not only accelerate heat dissipation; also own light weight 34.8KG/SQM; which will make the transportation and installation faster and easier.

Cable Free back side

All cables are hidden at the bottom of the cabinet, which makes the clean look and prevent disconnecting by accidents.

Protection grade IP66(Front & Rear) and Fanless cooling system

The total cabinet is IP66 front and rear, tested by TUV. It will avoid any water entry from the outside. And the fanless cooling system will isolate dust and dirt and extend the lifespan of the electronic components inside.
